General rules

- Expenses must be reasonable, necessary for business, and submitted in the expense system at `expenses.example.corp` within **30 days** of the date they were incurred. Claims older than 30 days need approval from the department head; claims older than 90 days are not reimbursed.
- An itemised receipt is required for every expense of **EUR 25 or more**. For smaller amounts a receipt is recommended but not required.
- Use the corporate card where possible. Personal payments are reimbursed with the next payroll run after approval, at the latest within two pay cycles.
- Expenses are paid in euros. Foreign currency amounts are converted at the rate of the transaction date shown on the card statement or receipt.

Approval thresholds

Total claim amount	Approver
Up to EUR 500	Line manager
EUR 500 to EUR 5,000	Department head
Above EUR 5,000	Chief Financial Officer

Expenses of a manager are approved by the manager's own manager. Nobody may approve their own expenses.
